To all 1st grade parents,

We are quickly approaching the biggest 1st grade celebration of the year with All Saints Day. With that in mind, we need your help. We have purchased material for the traditional All Saints Day Quilt and we will need some donations to help pay for all of the quilt materials. Please send donations (cash or checks made payable to St. Joan of Arc) in an envelope with this letter marked 1st grade quilt c/o Eileen Allen, your child's name and room #.

We also need 2 volunteers to take photos of each child in the library before the ceremony begins, and another 2 or 3 to decorate the altar for the ceremony on October 30th. If you are willing to donate your time or talent, please indicate on the form below.

Thank you again for making their big day a success!!!

First grade- rec Moms
