St. Joan of Arc School Brick Paver Program 2008 - 2009

FREQUENTLY ASKED QUESTIONS (CONT.)

When is my Brick Paver order due?

This is an on-going program so brick orders can be placed throughout the year. However, to ensure your brick is installed during the next round of installation, please submit your order by **Friday, June 5, 2009**.

When will the installation take place?

Installation of the bricks will take place during the summer of 2009.

Can I select the area or spot where my brick is placed?

Unfortunately, due to the random placement of the brick work, we are unable to honor any requests for specific brick placements. You may select if you want your brick placed by the Church or the School.

How will the proceeds from the Brick Paver Program be used?

This is *not* a school fundraiser. Proceeds from the Brick Paver Program will be used to offset on-going maintenance costs of the program and future PAR renovations.
