

To Parents of Children who attend SJA Extended Day,

With the holiday season upon us, it is time to give thanks to those who help us throughout the year. The Extended Day staff have been very good helpers and we'd like to give them a collective gift this Christmas. This is a simple and relatively inexpensive way to show our gratitude for their help.

If you would like to participate, please make checks payable to SJA, in an envelope marked **Extended Day Gift C/O Sister Carolyn**, by December 17.
